## A multi-generational weekend with camper-led workshops focusing on the traditions of the American people

### What might I learn at Catoctin?

Typical workshops include:

**Dance:** American Contrabands and Squares. English Country, Clogging, International Folk, Longsword & Rapper

**Music:** Toy Orchestra, Swing Band Jam, Flute/Recorder, Harmony, Song Swap

**Other:** Juggling, Quilting, Weaving, Paper Crafts, Storytelling

Our workshops vary from year to year depending on attending volunteers. We encourage *any* campers that have skills they'd like to share (crewel work, origami, virtuoso kazoo) to contact our program director about leading classes.

### What else is there to do?

Hike up to Cunningham Falls, climb on the rocks, read a book, take a nap, walk the 25 miles of hiking trails with scenic mountain vistas, sit by the campfire, listen to the birds, go fishing, swap recipes from the Friday night potluck, start a jam session . . .

### What are accommodations like at Camp Misty Mount?

Historic log cabins built circa 1935 by the WPA with electric lighting (but no outlets). Modern bath houses with great hot water

pressure and indoor plumbing. Meals are family style in our large indoor dining/dance hall with vegetarian and omnivore options, prepared by campers under the guidance of an experienced chef.

### How do you make it so affordable?

It's an all-volunteer weekend. To help with meals, campers sign up for jobs when they arrive. Two sessions of cooking, dishwashing, floor sweeping, etc. each take an hour or less. This is also a fun part of the weekend with good conversation and sometimes singing!
