FINEST KIND

Finest Kind is the remarkable folk trio from Ottawa, Canada whose exquisite harmony singing and brilliant vocal arrangements are bringing a fresh sense of excitement and discovery to the performance of old songs. The trio's glorious sound, served up with easy-going humor, has won a devoted following across North America.

Finest Kind's vocal arrangements are a creative tour de force. Tradition-based yet curiously modern, the trio's harmonies are an enchanting feast of opulent chords and ever changing textures. The trio's amazing vocal blend has been called "molecular bonding" by one reviewer; audiences invariably mention "goose-bumps."

"...one of the most captivating acts on the scene..." The Living Tradition issue 83, May/June 2009.

"Finest Kind represents the future of traditional music." Rich Warren
